& Quality**

Best Dives Guaranteed...

Overview

The 90 ft Handhu is an ideal liveaboard for diving with its size, features and facilities on board. With airconditioned cabins, an expansive airconditioned saloon and lounge, the boat is also equipped with a huge sun deck and a favorite among the majority of the divers, a comfortable alfresco dining area on the front with a seating for atleast 15 people, with the amazing view on front.

Accommodation

With a total number of eight Cabins, Handhu could accommodate sixteen pax comfortably. Offering you twin accommodation, all cabins are airconditioned with ensuite shower & toilet. All cabins are equipped with closets for clothes and enough storage for your luggage.

Dining

The bar is well-stocked with European beer, French wine and a variety of spirits plus a large variety of soft drinks. Tea, coffee and drinking water is included in the package price. Outside, the deck space is massive with a large undercover alfresco lounge/dining area capable of seating at least 15 people. The cuisine is prepared by a resort-qualified chef with a strong European influence and features Italian pasta dishes and salads along with fresh seafood, vegetables, rice dishes, curry dishes and a variety of desserts.

Saloon & Sundeck

The massive interior saloon area is fully air-conditioned with all the latest electronic entertainment equipment (large flat screen TV, DVD, stereo system etc). An outside stairwell leads to a massive sundeck with bench seating
